Re: Termination of the Vital Program Contract

Dear Mr. Galva:

Pursuant to Art. 35.10.1.3. of the Vital Program Contract (the "Agreement") between the Puerto Rico Health Insurance Administration ("ASES") and Molina Healthcare of Puerto Rico, Inc. ("Molina"), for the avoidance of doubt and as requested by ASES pursuant to the parties' live discussions, Molina hereby provides formal advance written notice of its intent to terminate the Agreement. The effective date of termination remains subject to ongoing negotiations with ASES pertaining to the transfer of Molina's membership, but shall be no later than August 1, 2020

As noted in Molina's earlier discussions and letters to ASES, Molina is negotiating an agreement to assign the right to serve its VITAL Program membership to Triple-S. Molina anticipates closing the proposed transaction by July 1, 2020, and completing the transition by July 31, 2020, subject to ASES approval. No assignment of the Agreement would occur as a result of the proposed transaction.

Molina recognizes that certain obligations would survive termination of the Agreement. Molina hereby commits once again to satisfying all such obligations required by the Agreement, including to ASES, its members, and providers.

Should you have any questions about any of the above, feel free to contact the undersigned at 787-200-3408 or via e-mail Carlos.Carrero@molinahealthcare.com.
