

GOBIERNO DE PUERTO RICO
Administración de Seguros de Salud

CIRCULAR LETTER 20-0603

June 3, 2020

TO: MOLINA HEALTH CARE OF PUERTO RICO NETWORK PROVIDERS

On May 1st, 2020, Molina formally announced its intention to exit Plan Vital (Vital). Presently, Molina, ASES and other regulating agencies having jurisdiction on the transaction, are negotiating a transition plan. The purpose is to assure an orderly exit of Molina from Vital, assuring the continued and appropriate care of its beneficiaries and the complete payment of all outstanding provider claims against Molina.

In order to ensure this matter, ASES requests the submission of the following information:

1. A complete and comprehensive list of all outstanding claims against Molina reflected in your records. Please include the following:
 - Any outstanding claims Aging's which will **only include**: MPI number from beneficiaries, service date and amount of debt. Please do not include the beneficiary's name, only the MPI number.
 - Identification of any outstanding claims corresponding to Vital's current period (November 1, 2018 to the present) or the period of operations of Mi Salud or PSG (prior to November 1, 2018). If both, please separate each aging accordingly.

Please send this information any inquires related through the following email: pagosvital@asespr.org.

ASES appreciates your prompt compliance with this request and submission **on or before Monday June 08, 2020** within the receipt of this communication.

Cordially,

Jorge E. Galva, JD, MHA
Executive Director
