WHEREAS, the Contractor and ASES executed a Contract for the provision of Physical Health and Behavioral Health Services under the Government Health Plan for the Commonwealth of Puerto Rico, on September 21, 2018, (hereinafter referred to as the "Contract").

WHEREAS, the Contract provides, pursuant to Article 55, that the Parties may amend such Contract by mutual written consent.

WHEREAS, all provisions of the Contract will remain in full force and effect as described therein, except as otherwise provided in this Amendment.

NOW, THEREFORE, and in consideration of the mutual promises herein contained and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree to clarify and/or amend the Contract as follows:

6. **Section 10.3.2.1.7 shall be amended and replaced in its entirety as follows:**

10.3.2.1.7 Require PMGs reimbursed by Contractor under a Subcapitated Arrangement to certify that the PMG has passed through any increase of Subcapitated amounts to its affiliated physicians not organized under a wage compensation model (staff model). For physicians under a staff model, pass through may be through actions separate from the agreed salary and/or salary scales used by the PMGs to compensate their medical providers. These actions may include, without limitation: bonuses, payment of professional/continued education courses, payment of licenses, or any other payment or benefit arrangement to incentivize the hired or staff medical

providers. None of the foregoing prevents the PMGs with wage compensation or staff model arrangements with its providers to allow salary increases to its hired medical staff should an individual PMG decide to do so. ASES and Contractor shall track any complaints filed by PMG-affiliated physicians and conduct the appropriate investigation and diligence to ensure compliance with this section. The Contractor shall provide to ASES an attestation to certify compliance with this section. If PMGs refuse to certify the pass-through of the increase of Subcapitated amounts to its affiliated physicians, or otherwise fail to comply with this section's requirements, Contractor may escalate the issue to ASES and shall not be obligated to remit to impacted PMGs the increased amounts set forth under Section 10.5.1.5.3 until ASES has resolved the issue.
