### Acceso a la Lista de Medicamentos Especializados Contratados:

En la situación en que un proveedor de servicios médicos recete un medicamento especializado de la Lista de Medicamentos Especializados Contratados, el MCO, MBHO, TPA o la organización contratada por ASES, evaluará a través del mecanismo de excepción, el medicamento especializado solicitado. La evaluación tomará en consideración las condiciones específicas de cada caso, que puede incluir, pero que no se limita a lo siguiente: 1) fallo terapéutico a todas las alternativas en el PDL de ASES, 2) la no disponibilidad de alternativas terapéuticas en el PDL de ASES para los servicios o condiciones cubiertas, 3) historial de reacciones adversas a los medicamentos incluidos en el PDL de ASES, 4) contraindicaciones de uso en los medicamentos incluidos en el PDL de ASES.
