For the purpose of this section high quality services will be measured on the Contractor's compliance with eighty-five percent (85%) of the quality metrics as established by ASES under this Contract. However, the revised PMPM rate will not exceed 96.2% of the high end of \$205.90 for the East region and \$181.55 for the Southwest region of the actuarially sound rates developed in the SFY17 actuarial certification, and will only be applied effective January 1, 2017 through June 30, 2017.
