**THE PARTIES HEREBY EXTEND** the Contract for the Provision of Physical Health and Behavioral Services Under the Government Health Plan (the “Agreement”) for a second additional term of two (2) months to expire on November 30, 2017, unless the Centers for Medicare and Medicaid Services (“CMS”) approves the actuarial certification and further amendments to the Agreement at an earlier date, in which case the Parties shall execute the finalized amendment to the Agreement within five (5) days of such approval.

Until the Agreement is further amended by mutual written consent of ASES and the Contractor, all provisions of the Agreement will remain in full force and effect, including the terms of the physical and behavioral health services provided under the Agreement and current Per Member Per Month (“PMPM”) Payments set forth in Section 21.1.1.1 of the Agreement.
